
NTIS HALL OF FAME

Renee Edwards-LeBoeuf

Volume 1, Issue 1

January 2001

A Farewell to Renee

Renee, Renee, what can I say,
We're really in a mess.
Now that you've decided to leave,
What will we do with the Press?

Your name's at all their fingertips,
Whether Edwards or LeBoeuf.
It's on media announcements and up on the Web.
Things are certainly going to be rough.

But we understand your decision,
And the challenge you must meet,
To convert computer jargon to Strunk and White
Will be quite an enormous feat.

Here's hoping you'll never forget us,
Because we will surely remember you.
And if you finally understand computer-eze,
Give me a call so that I can, too.

We'll miss you Renee. Much luck in your
future endeavors.

Pat Moton

NTIS will greatly miss such a dedicated and devoted individual.

Wishing Well

Congratulations, Renee.

Opportunities like this don't come along every day—
Then again, neither do people like you.

Good Luck, Renee!

I say 'good luck' even though I know you'll succeed in
your new job.

Renee...NTIS won't be the same without you.

Be sure to keep in touch and let us know what things are
like out there in the "real" world!

You may be leaving NTIS, ...but you'll always be one of
us

Without you, it will be chaos around here.

It's challenging to go away and see new things and faces,
But don't forget that you'll be missed in old familiar
places!

May you look back on your years of employment at
NTIS and feel a sense of accomplishment and pride.
May you look forward to the future as a time of
enjoyment and an opportunity to live life to the fullest.
